

Bilsborrow Building Movers 2021 Classroom Listing

Buildings

date printed 3/2/2021

Available for purchase 28 portable classrooms, measuring approximately 22'x40' each. Some units are in groups. All units can be purchased individually or in matching groups with others. No hallways will be included in the groups.

These can be used for office space, housing, storage or private training facilities. Each unit has an area of ~900 sqft.

These units are self heated and complete with an electrical sub panel, a single connection to main power and gas is all that is required to heat and electrify the units.

*Note that some schools may be exempt from purchasing these units for use as classrooms, please contact us for details.

Purchase Price & Moving Costs

Units are available starting at \$11,000 each + GST.

All estimated purchase & move pricing above assume a local move within 1.5 hours transport distance of Stony Plain, AB and a foundation type that we can drive over (block or screw pile). We can move these units anywhere and on to any type of foundation, once we know your location and foundation type we can provide a final price for move.

Mover is taking care of service disconnection, and separation work.

Not Included

Exterior skirting, steps and landings are not included. (a few landings may be included)

No contents are included. Some attached equipment shown may be removed and is not included such as white boards, fire equipment, electronic equipment etc.

No blocking or foundations are included, if blocking is needed it can be purchased.

Move Deadline

Pre-selling all units now. Order now to secure your units. We sell out each year.

Some units will be available for delivery in June 2021.

Expected Expenses

None expected, unless you are unable to take delivery on time then there maybe a \$30/day per unit storage fee.

Notes

All units look nearly the same internally: in condition, finish and layout. There is little variation.

The exterior surfaces of the units facing other units may not be finished (likely not!).

The hall connection may be interior finished, unfinished or open and require finishing.

All pricing is subject to the GST.

Do not approach school to request viewing. All viewings must be made by appointment only.

If dimensions are not shown for some units they were not measured but likely they are the same as the other units in the group.
